## **Yule Meet**

**Saturday 10 December**

**starting at 2pm**

**in the Chantry Museum, Morpeth**

This is our annual pre-Christmas celebration.

There will be plenty of good company, food and drink, and entertainment.

The first half is given over to contributions from the audience, who perform songs, recitations, tell stories or read poems all connected with the festive season.

That's followed by refreshments which are provided by the people who come along. There's no need to bring anything to drink, as this will be provided, but we will need a selection of savoury and sweet things to eat. The drink will be mainly Hazel's world-famous punch, in both alcoholic and non-alcoholic versions.

The second half will be "Whe's Tellin Hoafies?" our hilarious Northumbrian take on the popular TV show "Call My Bluff".

Please come along and have some fun.
