PREFACE

THIS Bibliography is based upon the List of Works published by Professor Wright for the English Dialect Dictionary; and the compiler is indebted to Mr. Edward T. Nisbet for examination and tabulation, in conjunction with Mr. John H. Harbottle, of dialect works in the Newcastle Free Library. The list has been further compared with the private collections of local imprints in the libraries of Mr. G. H. Thompson, Alnwick, Mr. Matthew Mackey, Junr., Newcastle, and of Mr. Richard Welford, Gosforth, to all of whom the writer is greatly indebted for personal assistance. Mr. Welford has added to this obligation by undertaking the onerous task of final revision and correction.
